2. Bank letterhead with account details, signed by an appropriate authorized individual from the bank.

Please note:

- EFT enrollment is only available to existing Landlords who are already receiving physical checks.
- New Landlords at any leased location must first receive physical checks for at least three (3) months before they are eligible to request enrollment in EFT.
- Changes to a Landlord's name (payee) or physical address cannot be made through the EFT request process. Requests for a change of payee or address should be directed to US-RELegal@us.mcd.com, and must be fully processed before a request for EFT enrollment can be made by the new Landlord/payee.
- On the enrollment forms, our existing Landlords are also referred to as "Suppliers".
- Once we receive and review the required EFT enrollment documents, we will initiate EFT setup. Completing this process will take approximately 15-20 business days.
- Pursuant to our process, we will call the Landlord to verify the bank details. As such, please provide the best contact person and time on the EFT enrollment form so we can call and complete the verification process.
- After the verification call, we will begin to make the necessary changes in our system, which require several steps and multiple reviews/approvals for audit purposes.
- Upon completion of the setup, we will initiate a penny test and send you a remittance email.
- After we receive your confirmation on the penny test and receipt of the remittance email, the payment method will be updated.
